ISTRUZIONI DI MONTAGGIO ASSEMBLY INSTRUCTION

PARETE/SOFFITTO WALL/CEILING

[disattivare l'alimentazione di rete prima di iniziare l'installazione]
[turn off the mains power before starting the installation]

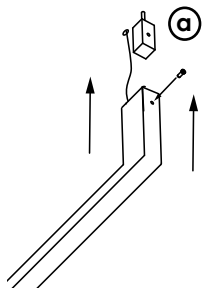

- ① **smontare le staffe 'a' e fissarle al muro**
get off the brackets 'a' and fix them on the wall

- ② **eseguire il cablaggio rispettando polarità +/-**
do the wiring respecting +/- polarity

fissare la struttura alle staffe 'a' e inserire le lampadine negli anelli dalla parte bassa svitando il collare interno al cilindro e collegarle al portalampada.

Collegare driver remoto rispettando polarità +/- e alimentando con 230V

- ③ **Fix the structure to the brackets 'a' and insert the bulbs into the rings from the bottom by unscrewing the collar inside the cylinder and connect them to the lamp holder.**
Connect the remote driver respecting +/- polarity and powering with 230V voltage
